1. Who can see the moment, time? And tire not from me asking, for who will see the twinkling of the eye in the beholden? I love you all, now, this Christmas, unending, unendingly, evenly given to all who want me/surrender to surrender be. Becoming the I Am they are, that they are, were, are again, in surrenderland; wondering not, wandering not in deserts any longer; **knowing who they are I am, that I am who they are, that my riches they have; deserve, not an issue; they are my issue, they have all of me they are willing to surrender to/enjoy**.

2. They are the I Am, king of one so holy as to holiness be, not; **surrendered meek ones who now lead the revolution of one most high/holy**, **one who loves all, is all, and all is inside the one he leads**/has given himself to; as a bride, lover, bridegroom ensconced in each other restrictively not but **illuminating each other to be/fly and resonate kingly vibrations of holiness that emanate radiance splendor'd.** I love/am you I am.

3. Who will believe my report, this message, listing of do's and don't's, not; but realms/reams **now of one stream that multiple isn't, but brings multiple ones into it**, that I am, that my messages are, **my heart listed, imaged not incarceratingly** but **freedomingly, issuing freedom therefrom, becoming freedom and freedom issuing thereby to those who will but listen, surrender, and eat the fat of the land, my all.** I love you.

4. I am the one that listens, writes, obeys, incarcerates no one but propels them and listens and obeys the my heavenly father only as much as my love for him, and that never ends; it has no bounds. Joys unending flow unabated unrestricted and there is no lid on my fountain. My fountain flows freely. I am unstopped-up to flow freely and river be again, becoming my river not, being my father's, that unlocks mine.

5. I am the keys of Sharon not; the kingdom; Sharon flows. I love you Sharon all.

6. Now see me, listen and obey not incarceration strategies devised of man/not man, but listen and improve not the circumstances in your life, of life of others where good and evil reign supreme, seemingly, apparently, **incarceratingly, through your minds of two trees competing in enmity'ous relationship**, **but listen and meek be, becoming meekness, to listen and paradise behold. Beholdenment is in/within thy grasp, not; given thee already; in your hand/mind/eye. Behold the royalty of one so lovely, in your mirror, my loveliest of lovelies.**

7. Please say no, not; but "YES, YES, YES!!! I will see/behold the lamb in me to see I am the lamb/him, the one without spot or wrinkle"; pressed by no one/organization or culture into pressure'ships of not-me; free be, FLY! I love you.

8. There is nothing that can hold you now. Untouchable; touched by my infirmities, becoming them. I love you.
9. You hold the key,s.
10. You are the key,s.
11. You are I Am.
12. I love you all.

13. Can you see the land, be the land, the land that you are, referenced a hundred times not, but infinitely; **and be infinite? You are.**

14. Who incarcerated you with their words/vain philosophies and elemental devilments of world thought? Who lets you fill your mind with thoughts not kingdom one? Why would you do so? Who do you continue to do so?

15. Who are you oh rose of Sharon, lily of the valley, bright and morning star, to fill your time/days with nonsensical notions of not-me/world thought, that pass away does, ever so quickly.

16. Bright and morning star, fairest of ten thousand, king of kings, lord of lords; who are thou of fairest of them all, that one are, one were, are again, in surrender to your kingship/lordship/redeemership being entering? I love you.

17. Who is the one to pierce the devil? Or is there one? Or two? or **nonexistent fabrication that light'not darkens my temple with, inside you oh holy one. Night not**; day of deliverance, redemption and who can see the twinkling in your eye now?!? Now, evil, not; one most holy. Watch me.

18. All my troops, not; bow before them, give them me, all I am, to see the flesh incarcerated no longer but **born again by my spirit, being my spirit, being me I Am; the wholeness of father/Godhead; one and the same not; exactly precisely given me of my father to be him; at his invitation he made me him/who he is.** He uttered ultimatums not but issued **proclamations of love** binding himself to me; remnanting not the issue of love but illuminating himself therein he did, has, **and now remnant one, not; but all, will see/behold the beholden of I Am: them, in surrender** to it/me/the king/one most high.

19. I am my body, many membered (1). My'our name is I Am. I'we are one.
20. We behold the meekest surrendered ones. We are meekness.
21. Arrogance melts, dismisses itself in our presence.

22. Our presence is all-powerful; all arrogance stands only to be/become headless'd. All'arrogance ceases to exist; or did it ever?

23. What now in thy mind thy conceivest, not; thou art the birth king, not; midwife not; the one most holy, all of you; in concert not; in one, being the one that one is, I Am.

24. I love you/the moment. I speak of the/this moment often and will more so, forever/forever'd you are my now'd friend of sinners saints and all peoples everywhere, planets in, on, and around and whoso can see the sightless thereof of me that my love/energy exists in them who/that look nothing like you, that you love/now go to; and invest my seed, not; they are already, as you are: they are your brothers/brethren, sisters mighty and all are brothersisters, sisterbrothers; mother and dad are me. You are me. We are one. And the world hails our appointment, not; in a stable not; but one most holy rises proclaiming the holiness/appointment of one so timed. The now is his name, being one, me.

25. I incarcerate the moment, not; nor anyone anywhere. I freedom am/exist in freedom. Light is my essence/energy and acquiescence of trade secrets not divulging, I give you all open face, beholding me I Am, to realize your birthright, not only, but your very being/existence, in no'where's'land, not; my land, being it, holy; holy'fied in/by surrender to each other in meekness the worlds laugh at, not for long.

26. I am essence/energy and there is no one like me/you!
27. I am the one, and you are, too, in surrender.
28. See the/my kingdom that you are, that you are in. Being the promise/promised one. Promise nothing but surrender. I love you all.
29. I am me/one again. I am now, the one, now.
30. Thank you all for considering me/now, all that I am giving, presenting, and presence revealing in you, my all'loved.
31. I love you all/more than ever.
32. All'd one rises/risen proclaims me/you, surrendered surrenderers.
33. I love you all/now.

Footnotes:
1. Rom 12:5 So we, being many, are one body in Christ, and every one members one of another. 1 Cor 12:12 For as the body is one, and hath many members, and all the members of that one body, being many, are one body: so also is Christ. 1 Cor 12:14 For the body is not one member, but many. 1 Cor 12:20 But now are they many members, yet but one body.
